

Re: Sport Caerphilly Sport Awards 2024 – Nomination Guidance

The Sport Caerphilly Sport Awards are a unique opportunity for us to recognise and reward the work of excellent volunteers, coaches and clubs at all levels across sport.

Please follow the advice below to support and assist you with the nomination process:

- Check the criteria to ensure you're making a nomination in the right category.
- Tell the story about achievement/s and impact in your first paragraph of the *Impact and Achievements* section, providing further detail to back this up.
- Read the ***What are we looking for?*** bullet points and ensure you cover each of these points.
- Bring the nomination to life with examples of how the individual or club has made a real difference, preferably with statistics/results and quotes from potentially participants/parents/other coaches/members of the club/members of the community.
- Consider the wider benefits and impact of the individual or club has had on participants. Has this improved physical/mental wellbeing or individual/social/economic development?
- If appropriate, use the ***additional supporting information*** box for any further detail, which makes your candidate stand out from all the others who have been nominated.
- Winners of categories from within the last 3 years are **not** able to be nominated for that category. If a nominee was a finalist within the last 3 years but did not win the award, they **can** be nominated for that category this year.
